By Train

There are two railway stations in Windsor. Trains from Waterloo arrive at Windsor & Eton Riverside, which is a 15 minute walk to our Windsor Centre. Trains from Paddington and Reading arrive at Slough where there is a local train connection to Windsor Central Station and then a 5 minute walk to our Windsor Centre.

By Road

From the M4, exit at Junction 6 and follow the A335 and A332 towards Windsor. At the large roundabout at the end of the dual carriageway, take the first exit left into Clarence Road towards the town centre.

Follow Clarence Road through two sets of traffic lights and over a mini roundabout, and when you cross the third set of traffic lights, which is also a pedestrian crossing, you are in Victoria Street. Continue along Victoria Street through the next set of traffic lights and at the T junction, turn left at the traffic lights onto Sheet Street and our building is on the right hand side.

There are no parking facilities on site, but there a number of local car park locations, which are detailed overleaf. The nearest to our Windsor Centre is the Victoria Street multi-storey car park, which is a five minute walk away.
